REBATE DISCLOSURE STATEMENT

I understand that I am receiving assistance from the City of McCleary for the express purpose of energy efficiency improvements to my property or place of residence. I further understand that the City of McCleary may work in cooperation with other non-profit entities, including Aberdeen Neighborhood Housing Services, Coastal Community Action Program and USDA Rural Development, in order to benefit residents of the communities it serves, and that it is the intention of the City of McCleary and these other entities to obtain the maximum benefit from the limited public funds they administer.

I understand that it is my responsibility to disclose to the City of McCleary (and any other local, state of federal non-profit agency providing assistance) any other assistance I am receiving related to said project. Therefore, I hereby affirm that I am not receiving aid through any other local, state or federal assistance program for the project covered by my rebate except for those listed below:

Agency Name	Agency Name

I also give permission for the City of McCleary to share information regarding this project with other non-profit entities, including but not limited to including Aberdeen Neighborhood Housing Services, Coastal Community Action Program and USDA Rural Development, for the purpose of verifying these statements.

CONSERVATION PROGRAM

WEATHERIZATION REBATE SCHEDULE

The City of McCleary is offering customers Rebates for weatherization projects. Amounts are listed in the table below.
PLEASE NOTE: A Preliminary Audit of the home is required before proceeding with insulation and or window projects. Rebate applications must be submitted to the City of McCleary prior to any work being done.

Weatherization Projects [1,2]	**Rebate**
Insulation - Single Family Home (attic, wall, floor)	$0.02 - $0.85 per square foot
Insulation – Multi-Family Structures (attic, wall, floor)	$0.05 - $0.70 per square foot
Insulation – Manufactured Homes (attic, floor)	$0.18 - $0.24 per square foot
Windows- Single Family or Manufactured Homes	**U-factor of 0.30** or less $3.00 per square foot
Windows- Single Family or Manufactured Homes	**U-factor of 0.22** or less $4.00 per square foot
Sliding Glass Door- Single Family or Manufactured Homes	**U-factor of 0.35** or less $3.00 per square foot
Sliding Glass Door- Single Family or Manufactured Homes	**U-factor of 0.30** or less $4.00 per square foot
Insulated Exterior Doors- Single Family or Manufactured	$40.00

1. The primary source of heat in your home must be electric in order to qualify for rebates under this program. **Check guidelines under each type of project for specific eligibility criteria.**

2. Assistance is not available for insulation and windows installed in new construction, including additions, or in spaces not currently heated.

3. A customer may qualify for assistance on a maximum of one insulation project, and one windows project per residence in any 365-day period.

The City of McCleary reserves the right to revise program rules and guidelines, including discontinuing all or part of the available incentives, at any time and without prior notice.

All projects, **once approved,** will be subject to the guidelines in place at the time of approval.
