MEMORANDUM

TO: MAYOR AND CITY COUNCIL, City of McCleary
FROM: DANIEL O. GLENN, City Attorney
DATE: November 26, 2014
RE: LEGAL ACTIVITIES as of DECEMBER 3, 2014

THIS DOCUMENT is prepared by the City Attorney for utilization by the City of McCleary and its elected officials and is subject to the attorney-client privileges to the extent not inconsistent with laws relating to public disclosure.

1. **ANNEXATION MATTERS**: A while back the City received a query from the Office of Financial Management in terms of three annexation actions take years ago. Apparently, in one situation the same property was annexed twice with a gap of several years between the action and a second was one for which they did not perceive the then responsible city officials had provided the information they desired and had not had office staff record them with the County. The easiest corrective steps were to make it clear that in terms of the two petitions by the same property owner, the latter ordinance should control and to have the ordinances recorded. The less easy is providing the OFM staff member certain information about the population of the area involved, etc.

I have been in contact with the OFM staff member and Mr. Mercer. Mr. Mercer has made certain that the recorded ordinances have been provided and will gather the requested information.

2. **BUDGET ADOPTION**: In talking to Ms. Collins, it is my understanding that the primary purpose of tonight's recessed meeting is to consider and, hopefully, adopt the

budget for 2014. It is recognized that there are likely at least two issues which are still open. One is the matter of how the City will provide law enforcement services in 2015. The second is Council Member Catterlin's indication of the desire to fund moneys in Current Expense to transfer back to the L&P reserve fund the moneys transferred pursuant to the prior budgets. In my legal opinion, neither would prevent adoption of a proposed budget this evening. I will set out my rationales in the following paragraphs.

First, I am certain that all recognize that the budget adopted by the City is not what is characterized as a "line item" budget. Rather, in the course of the development the specific anticipated expenditures and revenue sources are shown, it is a budget which is adopted by fund, not by line item. This allows flexibility during the course of the budget year in terms of dealing with the reality of actual monetary needs within a particular fund. Thus, if a budget is adopted which include anticipated expenditures for law enforcement and is based upon continuation of the City maintaining its own department and later, during the course of the budget year, the decision was made to contract for those services with the County, it would not be necessary to readopt a budget so long as the funding was adequate.

I believe that all recognize that given the statutory and collective bargaining requirements which apply to such interlocal agreements as well as the simple process of developing the proposed terms of such an agreement and analyzing the total fiscal impacts, it will be difficult to have all done for final consideration by the Council and Mayor prior to the end of the year. Thus, if the Council finds it appropriate to take final action on the budget tonight utilizing a funding pattern associated with maintaining the current police service approach, it would not prevent further consideration of the matters.

Second, as to return of moneys transferred, at this stage that is a policy and monetary issue, not a legal requirement. The audit finding was based upon what they felt was the lack of adequate documentation of the transfers. It was noted that if they are not satisfied with documentation provided, they could request the Office of the Attorney General to bring an action requiring the reimbursement.

In response to that concern, Ms. Collins and Mr. Baun have developed an initial response and provided it to me. I have certain suggestions and anticipate that the three of us will meet to finalize and transmit the response to the Auditor's staff. Thus, at this time there is no legal requirement that the money's be reimbursed.

As always, this is not meant to be all inclusive. If you have any questions or comments, please direct them to me.

ORDINANCE NO. _____

**AN ORDINANCE ADOPTING A BUDGET FOR
THE CALENDAR YEAR 2015.**

R E C I T A L S :

1. The Mayor, with the aid of the City staff, has undertaken an extensive review of the anticipated needs of the City for the year 2015, as well as the revenues available to finance those needs. As a result, a preliminary budget was presented. Public input was sought and received in relation to various elements of the preliminary budget draft through the holding of public hearings. The last of those public hearings was held on Wednesday, November 19.

2. As was true during the course of the development of the budget for 2014, the economic situation of the City in terms of revenue remains challenging.

3. A review has been undertaken by the members of the Council of the estimated expenditures and revenue.

4. The Mayor and Council have sought to develop a budget which is balanced and to adequately provide for the needs of the City and its citizens. It is one which requires

the City to take actions which are very difficult, both from an operational standpoint and, just as importantly, in light of its actual or potential impacts upon City employees whose services have been valued over the years.

5. Prior to the finalization of this budget, the Council adopted and thereafter the Mayor has signed an ordinance establishing the authorized level of taxation on real property within the City. A certified copy of that ordinance has been delivered to the appropriate County officials by the Clerk-treasurer.

6. After a final review by the elected officials and staff, it has been determined by the Council that the best interests of the Citizens and this City are served by the adoption of a budget as set forth below.

7. The budget as set forth is balanced in terms of projected income and expenditures.

NOW, THEREFORE, BE IT ORDAINED AS FOLLOWS BY THE CITY COUNCIL OF THE CITY OF McCLEARY:

SECTION I: There is hereby adopted as the budget for the City of McCleary for the calendar year 2015 the expenditures and revenues set forth upon Attachment "A", attached hereto and incorporated by this reference.

SECTION II: A full and complete budget document showing in detail the revenues and expenditures anticipated and/or made pursuant to the provisions of Section I of this Ordinance is on file with the Office of the Clerk-Treasurer, City of McCleary, and shall be available to any interested citizen during the regular business hours of the City. The Clerk-Treasurer shall further take such steps as are necessary to distribute information as to the budget to those governmental agencies, if any, to which such information is to be provided.

SECTION III: If any section, subsection, sentence, clause, or phrase of this Ordinance is for any reason held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance. The Council hereby declares that it would have passed this Ordinance and each section, subsection, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases had been declared invalid or unconstitutional, and if for any reason this Ordinance should be declared invalid or unconstitutional, then the original ordinance or ordinances shall be in full force and effect.

SECTION IV: This Ordinance shall take effect upon the fifth day following date of publication.

PASSED THIS ____ DAY OF _____, 2014, by the City Council of the City of McCleary, and signed in approval therewith this _____ day of _____, 2014.
