# Memorandum

TO:	Mayor and City Council, City of McCleary
FROM:	Christopher John Coker, City Attorney
DATE:	February 6, 2019
RE:	Significant Legal Activities as of February 6, 2019.

<u>All staff training</u>: Held the all-staff harassment training as planned on January 25<sup>th</sup>, 2018. I think most employees of the City attended. Good discussion and I think it went pretty well. Employees seemed engaged and interested.

<u>Ordinances and Resolutions</u>: Prepared a resolution to allow City to charge fee for disconnects of water and power soley for "convenience" of property owners. Issue has arose where a property owner is asking to have water and power disconnected when they leave town for a weekend. Proposed resolution is based on conversations with Todd to control costs involved.

<u>Executive Session</u>: Council and Mayor will be having an executive session for discussion of possible purchase of real property. No decision can be made in executive session and the scope of said sessions is very limited by statute. MRSC has a very good section if any of you want to take a look at rules relating to executive sessions, or I can answer any questions that come up.

<u>Misc.</u>: There is a claim pending from Laura Vaughn relating to a sewer back up at her property. Date of Loss was December 16, 2018. City insurance and Vaughn's insurance are discussing liability and damages at this time. Without commenting on validity or lack of validity, I believe it is a matter that will be handled between insurance companies.

If you have any questions or need any additional information, please do not hesitate to ask or request.

# STAFF REPORT

To: Mayor Orffer
From: Todd Baun- Director of Public Works
Date: February 4<sup>th</sup>, 2019
Re: Truck Roll fee

The City has been having customers turning their utilities on and off several times during a billing cycle. They are doing this to try save money on their utility bill. This causes additional costs for the city by having the crew go to the location several times a month and also causes additional paper work for the Utility Accountant, who has to correctly calculate the bill with the several requests for the turn off/on.

We currently do not have a fee associated with these turn off/on and since we are starting to have customers take advantage of this, we would like to establish a fee for customer convenience re-connection during normal business hours and update our after hour's re-connection fee

Lori Ann and I have been researching the voluntary reconnection fee is somewhere in the area of \$20-\$50 during normal business hours. That is why we are proposing the \$50 fee during the normal business hours and the \$150 after hour's fee.

Here is our MMC below.

13.04.220 Fees.

A verbal or written request for any discontinuance or turn-on of water service to a premises for the convenience of the occupant or owner shall be subject to the payment of such fee, if any, as may be established by resolution of the council.

(Ord. 742 § 16, 2007: Ord. 519 § 22, 1987)

# **ADDITIONAL WORK**

If during the performance of this contract, or subsequent to completion of the work under this contract, other or additional services other than those previously specified, including but not limited to additions or revisions by the Agency are ordered in writing by the Agency, the Engineer agrees to provide the services and the Agency agrees to compensate the Engineer under the same method of Compensation Determination described herein, to be determined at the time the additional services are ordered. The cost of the mediator shall be borne equally by the parties. The Agency and Engineer further agree to cooperate fully with the appointed mediator's attempt to resolve the claim or dispute, and also agree that litigation may not be commenced, by either party, for a period of ninety calendar days following the receipt by the other party of the written notice of claim or dispute. # D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE

#### 1. The Most We Will Pay

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or "suits" brought; or
- c. Persons or organizations making claims or bringing "suits".

#### 2. Aggregate Limits

The most we will pay for:

- Damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" is the Products-Completed Operations Aggregate Limit shown in the Declarations.
- b. Damages because of all other "bodily injury", "property damage" or "personal and advertising injury", including medical expenses, is the General Aggregate Limit shown in the Declarations.

This General Aggregate Limit applies separately to each of your "locations" owned by or rented to you.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or right-of-way of a railroad. - **b.** The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Declarations and described in this Section.

If more than one limit of insurance under this policy and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this policy and the endorsements is the single highest limit of liability of all coverages applicable to such claim or "suit". However, this paragraph does not apply to the Medical Expenses limit set forth in Paragraph 3, above.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.
